

Dear Parents,

The 4th grade team is excited to welcome your child to 4th grade! Attached you will find the reading and math summer homework. It is a Pinellas Preparatory Academy expectation that all students complete their summer homework by the first day of school. Please see the directions below for each of the assignments.

Reading Summer Homework:

This summer your child will be reading the book *Hoot* by Carl Hiasen. Attached you will find a novel study reflection packet for your child to work on as they read. This packet is broken up into seven sections. It is suggested that your child read the chapters for each section and then complete the reflection questions. For example, your child should read chapters 1-3 and then complete the two reflection pages on chapters 1-3. All sections of this packet must be complete. This assignment will be due on the first day of school and will be counted as a grade.

Math Summer Homework:

Attached you will find a 30-day math review packet. This packet asks students to practice math skills that were taught to them throughout third grade. Every three days the students are asked to practice doing a timed multiplication or division fact test. Students should be using flash cards, online games, and other available tools to memorize their multiplication facts. Please find some resources listed below:

- Multiplication Flash Cards- These can be purchased for a dollar at the Dollar Store, Target, and Walmart.

-Websites: www.multiplication.com - offers free games for students to practice.

www.timestables.com - offers free games for students to practice.

www.mathgames.com -this site offers multiplication games and may be compatible with tablets and phones.

It is the 4th grade expectation that students enter the school year knowing all their multiplication facts. Students will be given a timed multiplication quiz the first week of school that will be graded. The 4th grade summer math packet is due on the first day of school.

Hoot
