

'O mankind! We have created you from a male and a female and have made you into nations and tribes for you to know one another. Truly, the noblest of you with Allah is the most pious. Truly, Allah is All - Knowing, All - Aware (Holy Qur'an 49:13)

NO TO RACISM!

There Is No Place For Racism In Islam!!

Allah's (God) Messenger ﷺ came with the divine message and proclaimed that

"No Arab is superior over a non-Arab, and no White is superior over Black and superiority is by righteousness and God-fearing alone" (Ahmad Ibn Hanbal, Musnad: 411)

Ask Yourself a Question:

- How should we save ourselves from falling into this trap?
- How should we help others stay above the killing fields of racism?
- What can we do now to become a better human being?

Well, The Prophet Muhammad ﷺ Said:

"If one of you sees something evil, you should change it with your hand. If you cannot, you should speak out against it and if you cannot do even that then you should at least detest it in your heart; this being the weakest form of Imaan (Faith)"

(Sahih Muslim)
