

Fact Sheet

Book Title: *They Were My Friends – Jack, Bob and Ted
My Life In and Out of Politics*

Author: Gerard F. Doherty

Genre: Autobiography/Memoir; Campaigns and Elections; Political Science; Political Process

Pub. Date: October 1, 2017

Synopsis: *They Were My Friends* chronicles Gerard Doherty's fascinating career as a political adviser, confidante and friend to major state and national political figures, including all three Kennedys and three U.S Presidents. This memoir, filled with touching and humorous anecdotes, dissects the political instinct, skills and trust that propelled the campaigns of legendary political figures and serves as a modern-day roadmap for today's political advisers.
