*“Inspiring God’s Children”*

## **March Newsletter**

This letter is us welcoming March! We successfully made it through the first month as a BFF Kidz family. 😊 We couldn’t have done it without your patience and understanding while working with us through a challenging time of transition. BFF Kidz is pleased to announce that Ms. Jessica has joined our family. Ms. Jessica is the lead teacher of our three-year old’s. She has been doing an amazing job not only with curriculum but in loving our babies, so feel free to stop by and welcome her.

March is reading month. Across America, children are celebrating.....Happy Birthday Dr. Seuss; we will be reading Dr. Seuss books. We will also be celebrating St. Patrick’s Day and making fun crafts. We will be experimenting with all the colors of the rainbow this month. We all want to take the time out to admire God’s work of all the colors he has made for us.

Tuition reminder: Remember that tuition is due at the beginning of each week. Tuition not paid by noon on Monday is subject to a \$15 late fee as stated in our parent handbook. You can always pay free online at [www.bffkidz.com](http://www.bffkidz.com) and click on the payment link.

Moving up... we know that many families anticipate their child moving up to the next age group as do the teachers. However, we are very proud that our facility is near capacity and it may not always be possible for an immediate movement. This offers our preschool more stability and the opportunity to keep the children in a classroom for a school year just as they do in grade school. Research shows that this method is excellent for kindergarten preparedness. The teachers can create longer lasting relationships with their students and more readily challenge them at the next level as they know the child better than if they would only have a child in their room for a partial year. It also provides children with more consistency and allows them to learn routines in their classroom. Students will be moved in June or August. In rare special need cases, a child may be moved early; however, there are multiple factors that the office will consider if this takes place. Each teacher at the school is familiar with the developmental milestones for early childhood and has been or will be trained in the birth to age 5 standards. Parents can find peace in knowing that their children will be with their age appropriate peers and will have a teacher that can maximize their learning.

Picture Day is March 21st! All Age Groups will be photographed. VPK will be taking their cap and gown Pictures. You will save 20% on your purchase when you order BEFORE picture day! Just use this link and you can choose the perfect package AND background for your child!

If you would rather wait until after picture day and order from online previews of your child, simply return a Picture Day Permission Slip to the office before picture day. The 20% discount does not apply to orders placed after picture day. That's it! The Insight Photography team will do the rest. We guarantee that you will receive the best portrait of your child ever... by Insight Photography!

## *2 Timothy 3:14-15 New International Version (NIV)*

*<sup>14</sup>But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it, <sup>15</sup>and how from infancy you have known the Holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus.*
