

O'Connor Tract Co-Operative Water Company
Profiles of the Board of Directors
January 2023

David Jones - President

David Jones has lived on Oak Ct since 2006 and in Silicon Valley since 1986. He previously served as a Board Alternate and was appointed as a Director by the Board in 2017 to fill a vacancy. He then was elected President of the Board in June 2017 and continues in this role today. He is a business executive with almost 30 years in general management and business roles, predominantly within the consumer and Internet industries at successful public and private companies such as eBay and Shazam Entertainment.

Judy Windt – Vice-President

Judy Windt has lived on Elliott Drive since 1974. She served as Secretary-Treasurer from 1994-2008, as a Board Alternate from 2009-2013, and as a Director since 2014. She taught writing and literature at Stanford and various Bay area colleges, served as Women's Studies Coordinator for a year at Cabrillo College, and freelanced as a medical writer for many years. Since her certification as a Feldenkrais practitioner in 2003 she has taught both the classroom and hands-on styles of the Feldenkrais method in the community and in private practice.

Mike Frank – Director

Mike Frank has lived in the O'Connor Water district since 2005. His wife has been in the district since 1984. He served as a Board Alternate in 2014. He was elected to the Board in 2015. He is an electronics engineer, now retired. His work for much of the last twenty years was cell phone electronics.

Todd Rosenthal – Director

Todd Rosenthal has lived in the O'Connor Water district since 2012. He served as a Board Alternate from 2014 through 2016 and was elected to the Board in 2017. He has had leadership positions in high tech for over 25 years at companies such as Adobe, Citrix, Visa, and Intuitive. His career has been focused on product design and user experience.

Ron Garcia – Director

Ron moved to Woodland Ave in the late 1970s and has served as a Board Alternate for the past year. He retired in 2020 following 45 years of service at Stanford School of Medicine. During that period, he helped establish the Physician Assistant Program at Stanford and was a pioneer for the PA profession in California and the nation through leadership roles including director of admissions and national president of PA programs. In addition, he served as Assistant Dean at Stanford School of Medicine and directed numerous programs and activities to promote diversity in the medical workforce.
