Springtime is here once more! Whether you are a gardener (vegetables or flowers) or a farmer or just a lawn care enthusiast, this is an exciting time of year. There is much work to be done, but let's remember to begin our work with prayer. The motto of the Benedictine Religious order, which we are so familiar with here in our diocese, is *Ora et Labora*, which means Prayer and Work. Notice that prayer comes first! As we begin seeding our crops, gardens, or lawns let's begin by asking God's blessing. Next Sunday, May 5th, you are invited to bring in your seed for a blessing. Simply place them in the designated area at the front of the Church before Mass and they will be blessed.

OTHER WAYS TO SUPPORT YOUR PARISH

- Have Masses offered for friends or relatives, deceased or still living. Just drop a note in the collection basket, along with your donation; the usual amount is \$5.00/Mass. If this would be a financial hardship, please let me know, and I will be happy to offer one without a stipend.
- Offer Memorials in honor of your deceased loved ones to your parish's building and maintenance fund, or to your parish cemetery.
- Leave a legacy gift to the parish in your will, or name the parish as the beneficiary of your retirement policy or life insurance plan.

When You (or someone you love) Visits the Hospital

None of us looks forward to time spent in a hospital bed. Altru Health System seeks to both help with what is wrong physically and also to support patients in other ways. That includes spiritual support.

Some of you may remember the days when the local hospital would call churches to inform pastors when a parishioner had become a patient. That went away years ago. These days a patient's privacy is protected carefully and hospitals are inspected in terms of protecting patient information and keeping it private.

So if you become a patient at Altru your information is kept private. You will have full control of who comes to see you.

“Will my pastor know I'm in so he/she can come to see me?” you might ask. There's two ways that can happen and you, the patient, control both.

One way is for you to tell your pastor, or to have your family contact the church. Your pastor wants to know. The second is to ask an Altru Chaplain to contact your pastor. Altru's Chaplains want to help and believe in the ministry and support your pastor can provide. If you ask, only if you ask, a chaplain will make that contact.

The chaplains at the hospital want to serve you and to serve the church. If you have any questions, please feel free to contact Pastoral Services.
