Liability Release River Run at Los Caminos Naturales both Legal and Medical Release

As a participant in the River Run Endurance Ride, I _____ agree to abide by the rules of AERC, TERA, and the Land Heritage Institute. I understand that endurance riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities, that these areas have many natural or man-made hazards which ride management cannot anticipate, identify, modify or eliminate: that horses can be excitable, difficult to control and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I am riding. I will hold the ride management, all ride personnel, and all property owners over whose land the ride covers, The Land Heritage Institute and its Board, blameless for any accident, injury or loss and free from all liability of such injury or loss that may occur due to my participation in the ride.

I acknowledge that I assume full responsibility for the safety of horse, my guests, and myself. By my signature, I hereby waive all rights it file a claim or lawsuit against Land Heritage Institute and all it's personnel and Board, State of Texas, AERC, TERA, River Run Endurance Ride including all management, ride personnel, and all medical personnel, for any injury or damages which may occur during the time I am at the ride site.

Additionally, I agree to be fully financially responsible for any necessary emergency medical treatment by any medical person or institution in the event of injury or illness. I give my consent for and will be financially responsible for emergency medical treatment for myself, my horse, if I am unable to give informed consent.

Ride Rules:

1. The equines are under the control of experienced ride veterinarians who will do everything possible to help you evaluate your equine in order that you may complete the ride without hurting your equine; however, you must accept responsibility for your equine and yourself. The vets may disqualify any rider who has, in the opinion of the vets, abused his/her equine. The Veterinarian's decision will be final in all matters concerning the safety and well being of the equines entered in the ride.
2. Proof of a negative Coggins test dated within 12 months for Texas and out-of-state equines is mandatory. Every equine entering the camping area must have a negative coggins on site. Coggins papers may be checked at check-in.
3. The ride is open to all breeds of equines (horses, mules, ponies, etc.). The equine must be at least 60 months of age to enter the 50 ride. Equines entering the 25 mile limited distance ride must be at least 48 months of age.
4. A junior rider is a rider who was under the age of 16 the first day of the ride season. Juniors must be accompanied by a competent adult sponsor (21 years old or older) entered in the ride and must list the sponsor on the entry form and must finish within one minute of the sponsor. Failure of either to wait on the other will result in the loss of completion to both riders. Sponsors may be changed only at vet checks and only with the approval of ride management. AERC ruling for 14-16 year old/ 500-mile completion can apply if management has a copy of the AERC letter. **ALL JUNIORS ENTERED IN THE RIDE MUST WEAR APPROVED SAFETY HELMETS WHILE ON HORSEBACK** regardless of ride entry status.
5. All riders must be present and accounted for at the start of the ride. Management strongly recommends ALL riders wear approved safety helmets while on horseback.
6. The same horse and rider must pass all checkpoints, follow the ride rules, stay on the marked trail and do the loops in the correct order to receive completion. The 50-mile placing will be determined by first horse to cross the finish line. Ties recognized only if management cannot determine placement. ALL equines must see a Vet for completion check or when pulling for any reason. All riders must display good sportsmanship, or maybe disqualified if reports of misconduct are verified.
7. Vet criteria (pulse/respiration requirements, holds, etc.) will be discussed at the pre-ride meeting. Riders are responsible for understanding this information. All equines in each distance MUST meet ride criteria within 30 minutes of reaching a vet check during the ride or be disqualified. The final pulse rate criterion for 50 milers will be 30 minutes after the equine crosses the finish line. The final pulse time for 25 milers is 30 minutes, but not over the 6-hour total ride time.
8. There is no minimum time limit for completion in any distance. Maximum ride time, including holds, for completion is 12 hours for 50 milers and 6 hours for 25 milers. No limit for Intro riders. To receive completion: the 50-mile rider may present his equine at any time during, but not longer than, one hour after crossing the finish line; 25 milers must present within 30 minutes of reaching camp and ride time does not stop until equine has met ride criteria. The equine of all distances must be metabolically fit to continue and have no gait aberrations that are consistently observable at a trot and must have a pulse of 64 or less, last year it was 60; pulse of 60 or less for 25 milers. Riders will dismount for completion trot. For Best Condition judging, equines must present for a 15-minute CRI, then a one-hour post-ride check – 15 minute CRI time measured from the finishing time. To be eligible for Best Condition Award, riders must weigh before leaving vet check area.
9. Riders are responsible for all farrier and vet fees that may be individually incurred.
10. During the ride, dogs are to be on a leash or confined to riders camp.
11. **ONE HORSE PER ELECTRIC PEN ONLY. HORSES CAN BE TIED TO YOUR TRAILER OR A HIE TIE, OR IN STURDY PORTABLE PENS, ALSO BEST TO HAVE ONE HORSE PER PEN.**
