

*This season take your staff or clients out
for a memorable day of golf at*

Sault Golf Club

Corporate Golf Outings

The Sault Golf Club invites you to bring a group, small or large, to enjoy a day at the golf course. Corporate golf outings are an excellent way to increase morale and get your employees involved in physical activity. Friendly competitions also make for great team building.

Your corporate golf outing can include:

- Green Fee, shared cart and tee gift (9 or 18 holes)
- Access to the driving range and short game area
 - Food and beverage service
 - Professional scoring
 - On course activities
- Clinic from a PGA of Canada professional

Activities

Make the day fun and educational with on-course contests (closest-to-the-pin, long-putt), or add an informative clinic for your staff to learn about the game and improve.

Advertising Opportunities

Bring out your staff for a golf outing and receive recognition on our website advertisers' page frequented by our members and guests.

Flexible Package Options

We have flexible package options to cater to your needs.
Groups of all sizes and skill levels can be accommodated.

Contact us today to organize your corporate group golf outing.
