Did you know K-Cups can't be recycled?

[Click to watch](#) and find out what else can't be recycled so you don't contaminate the whole truckload!

Want to stay "In The Know?"

Bentonville officials held an informative meeting last month regarding our Ward.

[Click here to view the Ward 1 meeting presentation](#)

Did You Know?

In 2008, the Chapel Hill HOA created an addendum for Basketball Goals.

Ruling per board on February 2008, states as follows: "Plans to install a permanent basketball goal on a Chapel Hill lot must be submitted to the ACC in order to determine proper location and installation method. The basketball goal must be a minimum of five feet towards the home from the sidewalk. Any installation of a basketball goal closer than five feet from the sidewalk must have approval from the Architectural Committee. Temporary goals are allowed, but must be stored out of visibility from the street when not in use. Storage in the garage or in the backyard of the owner is acceptable. No temporary basketball goals may be stored in Chapel Hill common areas."

For more information regarding the covenants go to www.chapelhillnwa.com/about.html

Home Repair Help

Need assistance with [Backflow/Irrigation](#)? Ben Wallace can help. \$40 per backflow 479-644-6220

The official [fence](#) color for Chapel Hill is *Tavern Oak* by Sherwin Williams.
