

2022 OFFICIAL NATIONALS WARDROBE GUIDE

REGISTRATION: Arrive in style! This is your first step into pageant weekend and we encourage you to make a statement. While you aren't being judged, you will feel more confident if you look and feel your best.

REHEARSAL: Contestants age 10 and up will wear the official event tee, which can be purchased at www.amerifestpageants.com by clicking into the "2022 Info & Forms" page. Pair this with a black bottom of choice. Please do not wear your state/qualifying crown or sash at this time- we want a consistent look among all delegates!

OPENING NUMBER: Contestants ages 10 and up will wear their choice of outfit in red, white, or blue. This should be a formal look- cocktail, hi-low, jumpsuit- for example. No long gowns, please.

Contestants ages 7-9 will wear the official event tee, which can be purchased at www.amerifestpageants.com by clicking into the "2022 Info & Forms" page. Please wear with black bottoms.

INTERVIEW: Contestants ages 10 and up should select a dress or pant suit that reflects their style and personality. Smooth lines and bold colors will help you look professional and ready to capture the judges attention. Please no cocktail or formal wear.

EVENING GOWN: We celebrate natural beauty and encourage you to choose a dress that makes you feel confident and beautiful! Judges will not score the gown itself, but will consider that the fit, fabric, color and style is a flattering choice for each contestant. Please see more details on "Rules & Criteria" page on the AmeriFest Pageants website.

FASHION RUNWAY: (Ages 3+) In this optional event, contestants showcase their sense of style with a fun, glamorous look. Anything goes- capes, trains, pantsuits, cocktails, jumpsuits- choose something that you feel great in while you rock the runway!

FESTIVAL WEAR: (Ages 3+) In this optional event, contestants are asked to model an outfit on stages that represents their state in some way. We have seen everything from state flowers, birds and sports teams represented- and more! Use your imagination and make a connection with something you love about your home state!
