

RE-OPENING OF THE DANCE CENTER OF LAGRANGE

We are so pleased to inform you that we are now open and the dancers are doing very well!!!
We have re-taped the floors and lobby areas to provide for ample space for your child to dance at a safe distance from others in class. We provide hand sanitizer and cleaning all areas of the studios and lobbies.

All dancers will enter in our small studio door and then exit in our large studio door. This will keep a distance in between classes.

It is encouraged that parents drop off and pick up rather than stay in the lobby.

What your child will need to bring....

1. Their own dance bag for dance shoes (NO shoes will be exchanged).
So please have all of your dance shoes!
2. A water bottle (The Water Fountain will not be available)
3. All dancers will be required to wear a mask! (Any child or parent without a mask will not be allowed to enter the building) Per Illinois law!
4. Please come to class dressed properly in dance attire, hair back and no jewelry.

Each dancer will have their own designated space to keep their belongings. We will allow the dancers to take breaks for water and from their mask by themselves in their own area.

If you have any questions, please feel free to email me at dclteacher@yahoo.com

Looking forward to working with your children!!!

Ms. Robin
