

Dear Director,

On behalf of our entire staff, we wish to welcome you and your students to the Wild Adventures Classic in Valdosta, Georgia. It is our sincere wish that everyone associated with your music program will receive an educational musical experience as well as a fun and memorable trip.

The Wild Adventures Classic is designed to create a positive musical and learning experience for you and your students. It should be stressed that this is a festival and not a competition. Our desire is for you to perform for three quality music educators that are experts in your field. The feedback you receive will be designed to improve your program and make it an enjoyable learning experience for your students.

This year we have secured the facilities at the James H. Rainwater Conference Center which we consider an excellent venue for our groups to perform that includes changing areas for your trip to the park once your performance and clinic conclude. We hope you will consider the Wild Adventures Classic for your spring activity and we look forward to making your trip a positive and rewarding experience.

Please return your set up for to us by April 23rd via email at joe@sandhtravel.com.

We are looking forward to your participation in the WILD ADVENTURES CLASSIC. Please call if we can be of service to you prior to your arrival.

Sincerely,

Joe Hutcheson and Wally Shaw
