

Real Wishes Foundation Programs Supported

The foundation has been involved with the Coats for Kids since 2008. In 2010 the foundation acquired the program to ensure that school age children had warm winter clothes. The program takes new and usable winter jackets, coats, gloves and provides them to children in need throughout our community.

Since 2011 the foundation has worked with the Salvation Army to provide gifts for those seniors in the community who do not have family or income to have a Christmas.

The foundation has participated in the annual Sierra Vista Relay for Life event since 2010. So far we have raised over \$50,000 for the American Cancer Society.

The foundation participates in the yearly community clean-up of the West-End area since the program began in the fall of 2009. Our volunteers donate their time to help make the West End of Sierra Vista beautiful.

Halloween Fall Festival: The foundation has participated in the Halloween Fall Festival in Sierra Vista since 2009. Our volunteers set up a game table for the kids and distribute candy throughout the evening.
