

Bundle Up

Bundle up, bundle up, it's cold outside.
Bundle up, bundle up, it's Christmas time.
There are snowflakes on the window.
The temperature has dropped.
Grab your coat, grab your hat.
Quick, before it stops!

Bundle up, bundle up, it's cold outside.
Bundle up, bundle up, it's Christmas time.
There's a cold front in the forecast,
That means it's bound to snow.
Get your sled, follow us.
Come on, here we go!

Come on, here we go!

Bundle up, bundle up, it's cold outside.
Bundle up, bundle up, it's Christmas time.
There are snowflakes on the window.
The temperature has dropped.
Grab your coat, grab your hat.

Bundle up, bundle up, bundle up!
Bundle up, bundle up, bundle up!
Bundle up, bundle up, bundle up!
Shouted: Bundle up!
