## AIRPLANE PROJECT

We are busy obtaining the airplane for Amazon Missions, navigating further in, reaching more tribes with more Bibles for JESUS CHRIST. Your prayers, financial gifts and involvement, are welcomed as we run the race to complete the Great Commission JESUS gave us: Saving the lost on their way to Hell.

## JESUS APPEARS TO THE CHIEF'S WIFE

After reaching out and ministering at Dos de Mayo, Amazon village, we told them that we would baptize the next morning. Six o'clock we were waiting for them on the river beach and the chief was the first to be baptized. After this he told us how his wife had a dream in the early morning hours, about 4 o'clock, and woke him up. We were curious!

He explained: "She said that we were all standing down at the river bend for the baptism as we were then standing. A bright light appeared out of the skies which had a blinding effect. Then a staircase came down from Heaven, to the tip of the river beach. As we looked up, we saw JESUS standing at the top of the staircase with his arms stretched out.

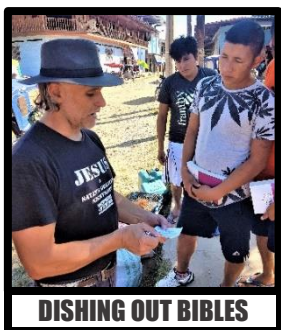

JESUS spoke and said: "All who believe in me and accept/repent, will pass to my right-hand side.

Those who do not believe and repent, will have to pass by my left-hand side." These are the very same words of JESUS in John 1:12. Hallelujah! He's alive and continues to appear to and call people up till today. He confirms His Word and the urgency for Eternal Salvation.

God confirmed the ministry that was brought through us during the days we spent there. We didn't have to convince the tribe through philosophy, eloquence or academic intellect but shared the simple Gospel, and the presence and power of the Holy Spirit, jointly with miracles, convicted the people and they turned to JESUS. 1 Cor 2:4, Acts 17:30

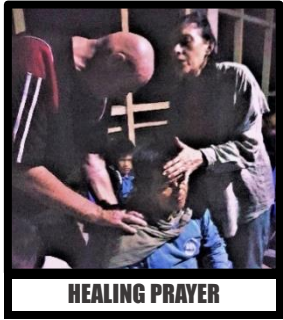

## OUT FROM THE AMAZON JUNGLE

At present we're busy with our witness tour through Botswana and Namibia. We're witnessing about the work amongst the Amazon Indian Tribes, sharing about the wonders God has done there. This is exciting because we have much to share, riding the high tide, recapping numerous accounts of God's supernatural intervention amongst the Indians.

We are continuing this tour into South Africa and you are welcome to call/contact us +27 74 227 3224 (Whatsapp). Please feel welcome to invite us to share at a venue and it will be a blessing to see long-time friends, and make new ones, as we recount challenging testimonies experienced through the years of ministry in South America's Amazon Jungles.

# WE WERE ONCE UNREACHED TRIBES - HELLBOUND

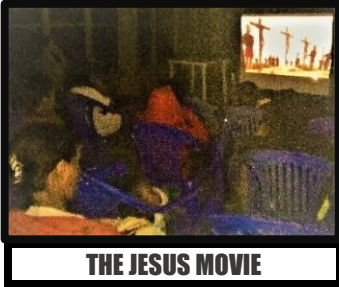

HEALING PRAYER

2 000 years ago, 70 A.D., after JESUS left earth, people fled Israel, away from the persecution and occupation of the Roman Empire, risking their lives, fortunately taking the Gospel of JESUS further, to regions like Europe etc. Our forefathers were barbarian tribes clothed in skins, running around with clubs, bows and arrows, hunting wild animals in forests to survive. They engaged in tribal warfare and were pagans, worshipping foreign gods/demons. Their spiritual leaders were druids, warlocks, witches, spiritists and occultists engaging in every form of witchcraft, being ignorant and distant from the truth, a fallen state on their way to Hell, because no one brought the light of JESUS CHRIST to them. At last somebody/people, after much suffering, persecution, sword, jeering, death, etc., broke through and reached them. At last our forefathers were being saved, but ironically after thousands before them have died without the saving faith of the Gospel, having fallen into eternal fires of Hell. We have no idea!

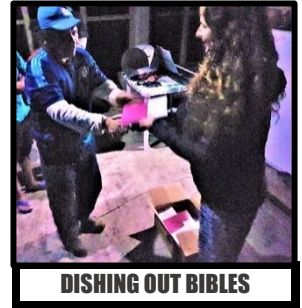

CHIEF'S BAPTISM

(Many Christians don't believe that if someone did not hear the Gospel, they would go to an eternal fiery Hell. They believe God has a second plan, which is a complete fallacy. You and I are the only hope for the masses).

THE JESUS MOVIE

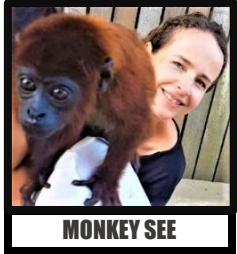

Many of these saved Europeans became the New World pioneers who went to continents like North America, Africa, Australia etc. and we, their offspring have the gracious privilege of receiving the Gospel first hand, almost as if we inherited it. Those who preceded us paid the price and we have very little, or any knowledge of that, not understanding, not having died or suffered for our faith.

DISHING OUT BIBLES

Because of these historical heroes, we have the privilege to come to JESUS as Saviour. Someone, in the distant past, made a rational and intellectual decision, and went, at the cost of their own lives to reach our ancestors who were falling away into a Christless eternal Hell. They lost that which they could not keep, to gain that which they could not lose.

Why should we then go on living selfish lives, pretending all is at peace around us, holding ourselves in ignorance to the great, urgent spiritual hunger and thirst of thousands who will never hear unless ... YOU GO?! The Amazon and many areas remain unreached unless we go! Will you go? What have you to lose? This life is a puff of wind compared to eternity!
