We are getting ready for preschool in this camp with a program just for our 3-4 year olds. Only 3 days/week and less hours than our Tumble Stars camp with a curriculum designed with the 3-4 year old in mind. But don't worry! This camp will still have plenty of tumbling, jumping, rock wall, parachute games, obstacle course, crafts & MORE to keep our little ones entertained. A great introduction to being away from mom and dad as our little ones prepare for 3 & 4 yr old preschool.

# DCA Tumble Stars Camp Descriptions 2020

## DCA Circus Extravaganza

Flip, fly and jump into the greatest show on earth. Kids will learn the basics of acrobatics, balance and combine with some tumbling and trampoline to explore the different aspects of circus skills including silks, juggling, unicycle, and stilts all leading up to an end of week circus showcase.

## Party in the USA-DCA Olympics

Let's celebrate the 4th of July, the United States of America and create our own summer olympic games right here at DCA. Trampoline is an olympic sport so we will have fun learning new skills so we can "compete" for the gold. We will make olympic crafts and even have our own torch run.

## Dinosaurs & Unicorns

Romp, stomp and roar through this week of camp as we explore both of these animals and all their wonder. We will build a dinosaur den, look for fossils, ride the flying unicorn then make unicorn slime and have a magical time all week.

## Super Hero Training Camp

Do you have what it takes to be a super hero? This week we will run, jump and fly our way through Super Hero Training Week with obstacle courses and activities to test our strength and skill. We'll also design our own super hero costumes and at the end of the week, we will graduate super hero training camp.

## Magic Movie Camp

We're celebrating our favorite movie characters this week like Woody, Elsa, Olaf....with dress up days, crafts focused on our favorite characters and we'll even make our own movie too.

**Each week of camp is 4 days and runs from 9am - 12pm or 1pm - 4pm for boys and girls ages 5-10. Each day consists of fun with tumbling and trampoline stations, a themed craft and games and ends with a snowcone- a DCA summer tradition. Sibling and multiple week discounts available.
