## ABOUT THE TEACHER

I have taught at LCS in different areas of the school, and I am excited about teaching third grade again this year.

I enjoy being a teacher and enjoy having a good relationship with my students and parents. I strive to have my students engaged in the lessons and try to give them the best learning opportunities. The highlight for my students each year is the Science notebook in the fall and the state poster in the spring. (and getting to use a pen second semester)

Spiritually, I hope to accomplish Philippians 4:8 in their lives. “. . .whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.”

On my off time my husband and I love to get together with friends, walk, and go on Mission trips. I have had the opportunity to go to Africa, Japan and Costa Rica. These trips certainly have widened my field of vision and have given me a greater view of the world.
