MINISTER VELMA MCCLOUD**

Greetings HPEMBA Family!

In an attempt to evangelize our communities between August and December, the CCE Team is providing this form for record keeping purposes. It is our desire that *each one* in your church *reach one* with the gospel message. The final report should be submitted to the superintendent by December 11, 2022. We thank you in advance for your participation and your collaborative efforts to evangelize for the kingdom of God.
