

## PEOPLE MATTER

Every individual has the opportunity to make a difference.

Take care of yourself and your colleagues.

Cultivate each person's skills, strengths & talents.

Be respectful, considerate, and honest with each other.

## WORK TOGETHER

The best ideas, performance, and results come through collaboration.

Focus on the objective and challenge ideas, not people.

Be kind, assertive and supportive, even when there is disagreement.

Support the final decision.

## STRIVE FOR EXCELLENCE

Define success.

Be open to and embrace positive change.

Look outside the walls of EdTA. Learn and document new ways to do things better.

Take risks – turn both successes and failures into lessons learned.

## BE THE PERSON WITH WHOM YOU WANT TO WORK

Celebrate individuality and honor diversity.

Engage fully.

Bring joy and optimism to your work.
