Dear Ken,

Words simply cannot express our gratitude for your support of the Ronald McDonald House. Your generous gift of \$1,000.00 raised at your car show contributes towards programs provided to our guest families.

Our 12-bedroom Ronald McDonald House provides families with the comforts of home and peace of mind during one of the most difficult times of their lives. This feeling of comfort goes a long way in making a difficult road seem a little easier. It is proven that children heal faster when they have constant contact with their families, which is why the House is such a critical part of treatment.

On behalf of our guest families and their children, we extend our deepest and most heartfelt thanks for your thoughtfulness.

Sincerely,

Marielena DiMatteo
