SECOND VICE CHAIRMAN - Dr. Rich Rutkowski

"Election season" continues with our District Organizational Meeting on Thursday evening, November 29. We'll be electing District Officers & State Committeemen for the next two years. The official call letter, a proxy form, and rules for that meeting will be e-mailed or postal mailed to all of our elected PCs on about November 16 and will be posted at www.ld23gop.org at that time. Please read the instructions in those documents fully & carefully, and make every effort to attend the meeting on the 29th. Be sure you bring government-issued photo ID. If a non-PC Republican will be representing you by proxy, please complete the proxy form fully & accurately and have your proxy carrier bring government-issued photo ID and his/her voter registration card. That will help make the meeting run as efficiently as possible. We'll be meeting at the Fountain Hills Unified School District Learning Center [MAP](#) since that facility offers us the best space and allowance if the meeting should run late. Credentialing begins at 6:00 PM and the call to order will be at 7:00 PM sharp. The credentialing process takes a little time, and ballots will only be given to those who are properly credentialed, so please don't come late. Extra parking is available in the high school parking lot to the east and the Golden Eagle Park lot to the north of the Learning Center building.

Veterans Day is on Sunday, November 11. We honor all of those who have served and continue to serve us in the military. Thanksgiving Day is on Thursday, November 22, and gives us another opportunity to be grateful for all of our God-given gifts and the blessings of being Republicans living in the United States of America. The LD23 Christmas/Holiday Party will be held on Friday evening, December 7. Details will be e-mailed and posted in the near future but please save the date and plan to share great food and company.

Please visit www.ld23gop.org, for any updates, and read LD23 communications, for accurate information about future meetings, upcoming events, documents, and links to other web sites and resources.
