After you are dressed and ready for your dance you **may watch the recital until 5 dances before your student(s) goes on stage.** Wear the Recital T-Shirt **over costumes when not back stage.** When there are 5 dances before your dance, take your student back stage to an Inspire teacher who will then keep your student so you may sit and watch their performance.

Once your dancer is done, **pick your student up from the back stage** hallway. Change into your next costume OR if done, change into black shorts/leggings and Recital T-shirt **until #47** (3 dances before Finale') and enjoy the show!
