

Radar Instructor Courses for 2017

Below is a list of Radar Instructor (Train the Trainer) courses that are being offered at county police academies around the state.

This list is not all inclusive, so if you are aware of a course being offered that is not listed below, please forward that information to the NJPTOA Training Coordinator at rmaxwell@njptoa.org

All of the listed classes are being offered in the Modified Three Day format, with should require Methods of Instruction as a prerequisite.

Contact the academies directly for registration and further information.
