2 teams were disqualified due to submitting improper scorecards. Both cards were dated, signed, and attested (indicating they were reviewed by at least 2 players) but they did not properly follow the designated guidelines and both cards were documented inappropriately, rendering the inability to accurately determine whether the teams followed the specific required tournament format.

Future participants are strongly encouraged to review each tournament's rules and format, along with the requirements (listed below) prior to playing, and **PLEASE** fill out (and submit) your tournament scorecard exactly like the sample scorecard provided for each and every Men's Club event.

### IMPORTANT REQUIREMENTS FOR EVERY TOURNAMENT!

1. Scorecards MUST contain players FIRST INITIAL & LAST NAME. Handwriting MUST be legible.
2. Each scorecard MUST have the tournament slip & payment receipt attached when turning it in.
3. Scorecards MUST be completed in accordance with each tournament format (sample card below).
4. ALL tournament scorecards MUST be DATED, SIGNED, & ATTESTED.
5. Players bear total responsibility to ensure that their tournament scorecard meets these requirements and is turned into the Pro Shop immediately after their round. Neither the Tournament Director nor the Pro Shop employees will be tasked with searching for and/or correcting scorecards format once a tournament is over and the official card is turned in. A secure/locked box is being provided.
6. Scorecard numbers will speak for themselves. No penalty/disqualification for addition errors only.

23 Teams Played / 2 Teams Disqualified / 8 Teams Paid / Men's Club Added: \$300 / Total Payout: \$1,220
