

2023 COLLEGE TENNIS RECRUITMENT FORUM

Saturday, August 5th
12:30 PM to 3:30 PM
Barnes Tennis Center

Our 2023 College Forum will offer players and parents a personal opportunity to meet with college coaches on-site at the Barnes Tennis Center. In 2022 we hosted over 35 colleges in attendance.

We will have tables and chairs inside and out on the patio for registered college coaches to meet with players, parents, and private coaches.

Per NCAA rules, the college forum is only for rising juniors and seniors.

We offer a player profile to share with all the college coaches on-site for the tournament to assist with the recruiting process. *If a player would like to share their profile with the college coaches, please scan the QR code at the top of the page and fill out the Google form.* This is open to players of all ages.

Following the college forum, at 4:30, we have our mandatory opening ceremonies, player meeting, and players' party with free dinner and drinks for all the tournament players and their guests.
