## Gentle Horse Academy Launches ONLINE Courses

As horse stewards (owners) search for non-violent alternatives to training their horses Missy Wryn's [Gentle Horse Academy](#) launches online courses to meet the demand. *"I'm contacted regularly by loving horse people enthusiastic to discover my gentle horse program [Training the WHOLE Horse®](#)"* Missy says. *"Since launching my FREE for viewing [Training the WHOLE Horse®](#) and [Gentle Horse Training with Starting Under Saddle video series](#), more and more people are heartened to discover there ARE gentle alternatives to training horses that DO create a SAFER horse experience. The old paradigm of domination through intimidation using fear, pain, force and violence simply no longer aligns with our evolving nature"* Missy adds.

The [Gentle Horse Academy](#) now provides online courses ranging from [Introduction Course to Training the WHOLE Horse®](#) to [Remote Training Support](#) for the DIY'er. The [Gentle Horse Academy](#) courses provide direct one-on-one support with Missy via Skype and other video communication options, along with resources found in Missy's [Certified Gentle Horse Trainer](#) program.
