December 2019

Mrs. Novak: Lead Teacher
Ms. Ortiz: Teacher Assistant

What's Been Happening?

November was full of thankfulness, great food, family and friends. We have created turkeys, explored some science with "sink or float" activities and even made our own pumpkin pies!

We have also been counting and using numbers all around the classroom. We practiced our "Albuquerque Turkey" song so we would have it just right to sing at our Celebration. Our Thankful Celebration was a great success and we all enjoyed talking about what everyone was thankful for. Thank you to all the families who helped out and brought in food for our Celebration.

Happy Holidays!!
Ms. Novak

Holiday Movie
Cocoa & Cookies

It's December! What Are We Going To Do?

This month we will be learning all about Gingerbread. As a class we will make gingerbread cookies and on December 20th we will be decorate the cookies along with a gingerbread house. Patterning will also be a focus for the month and we will be discovering different ways to create patterns.

Letters of
the Month:
Ss & Gg
