With 8 boats inviting 17 kids for a big lake fishing trip, the Pentwater Sportfishing Association 'Teach A Kid' Event was another great day providing our area youth a chance to experience Lake Michigan fishing.

The Lake was smooth to allow all the boats to get out, with some big fish in the catch. And the Grand Prize, Biggest Fish, was a 26.75# King Salmon, landed by Spencer, with Capt. George Cornell and First Mate, Rick Miotke, on the 'Reel Dancer' boat.
