

## K3DX Glasses-free 3D Display Solutions

# K3DX – Global leader in Glasses-free 3D industry

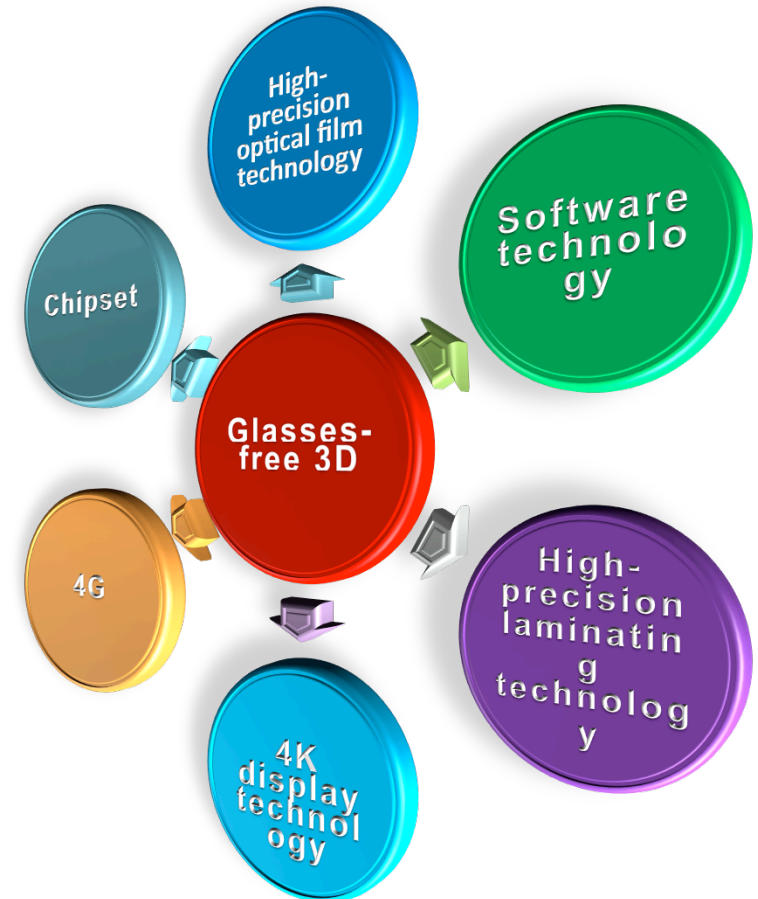

Cooperate with **PHILIPS** +  **DOLBY**  
To build global Glasses-free 3D Alliance

## □ Globally unique and intact industry chain solution

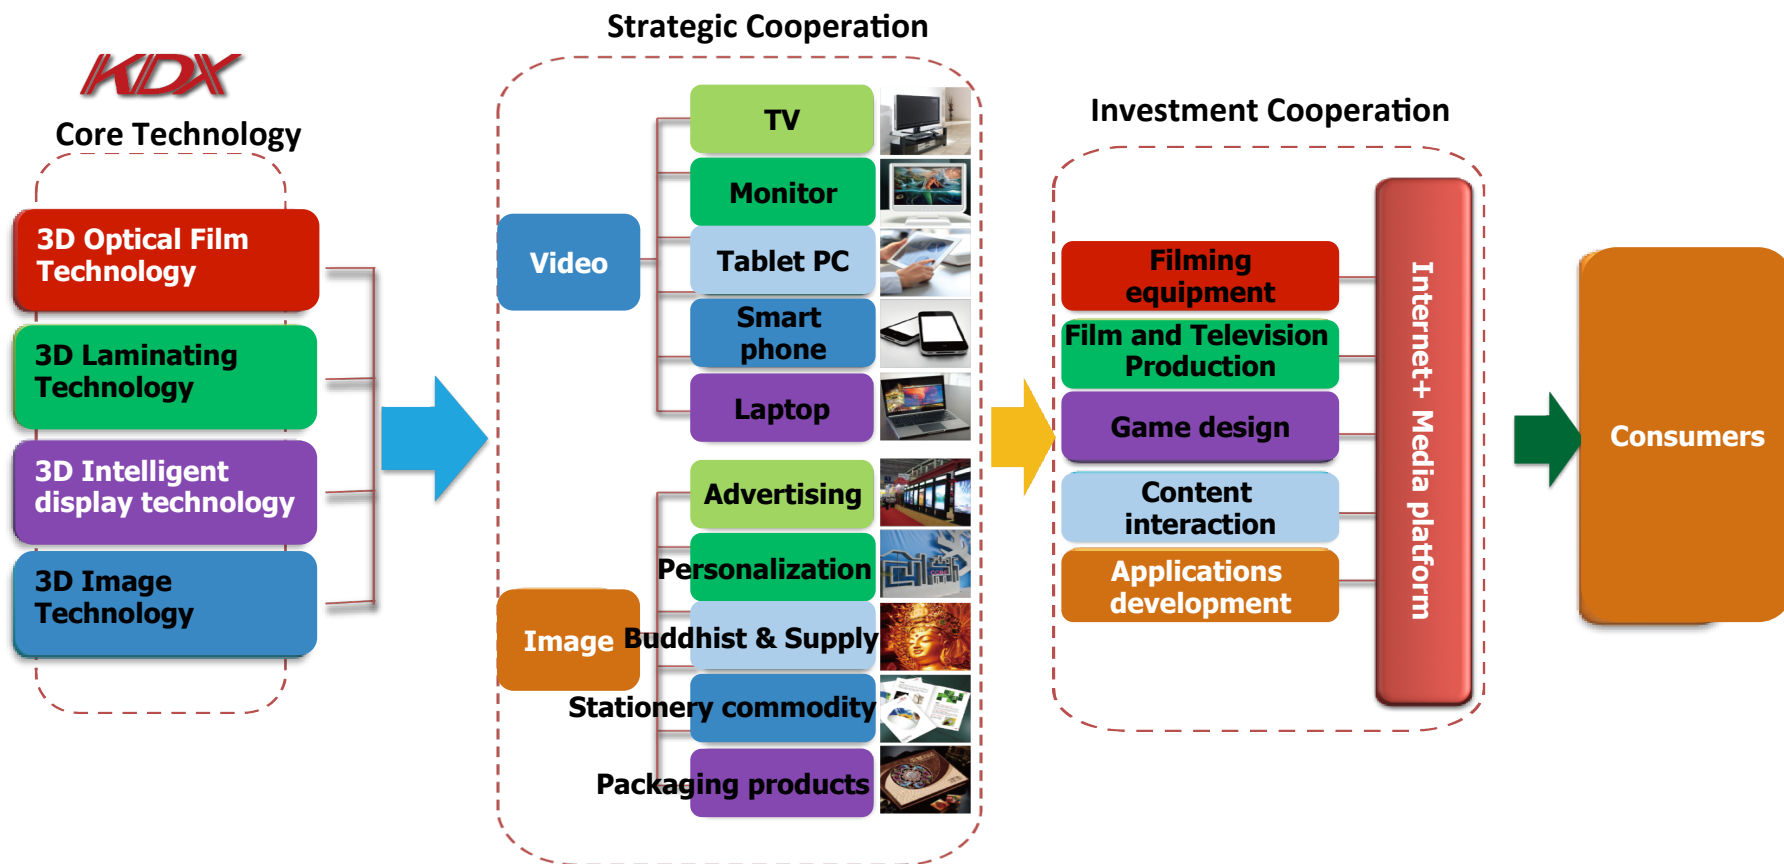

- Powerful research and development strength
- Advanced manufacturing capabilities
- Complete production chain
- 3D Content production and integration
- More than 800 patents
- ...

## □ Excellent team

- One-stop service system (R&D, Design, Manufacture)
- Global leading 3D team
- Rich experience in industry solutions
- ...

# Internet+ 3D business ecological chain

# **K3DX Glasses-free 3D Display Series**

## K3DX Glasses-free 3D Smart phone-5.98" See K600

**KDX**

Screen dimension	5.98"
Resolution	FHD 1920*1080
Touch screen	Capacitance screen, 5 touch points
Glass-free 3D technology	Column mirror lenticular lens technology
Viewpoint	Two viewpoint compatible
3D Optimum view distance	30cm
3D image view	Support 2D/ left & right viewpoint switch / 3D image view/2D to 3D
3D video play	Support 2D / left & right viewpoint switch / 3D video play/2D to 3D
Hardware platform	MT6753 Octa core
Content platform	Horizontal vision
Default content	Image / Video
PSRAM(SDRAM)/NAND Flash	2GB/16GB
Host/Front camera	13M/5M
Battery	2850mAh
Dimension	157.6mmx82mmx8.3mm
Cellular network	Support CMCC 4G/3G/2G Support CHN-Unicom 4G/3G/2G
Others	Metal, Touch ID

## K3DX Glasses-free 3D Tablet PC-7"See K700

**KDX**

Screen dimension	7.0"
Resolution	FHD 1920*1080
Touch screen	Capacitance screen, 5 touch points
Glass-free 3D technology	Column mirror lenticular lens technology
Viewpoint	Two viewpoint compatible
3D Optimum view distance	30cm
3D image view	Support 2D/ left & right viewpoint switch / 3D image view/2D to 3D
3D video play	Support 2D / left & right viewpoint switch / 3D video play/2D to 3D
Hardware platform	A83T Octa-core , Cortex-A53, 1.7GHz
Content platform	Horizontal vision
Default content	Image / Video
PSRAM(SDRAM)/NAND Flash	2G/16G
Host/Front camera	5M/2M
Battery	2500mAh
Dimension	183.4mmx105.9mmx8.85mm
Cellular network	WIFI

## K3DX Glasses-free 3D Fixed terminal – 43"

KDX

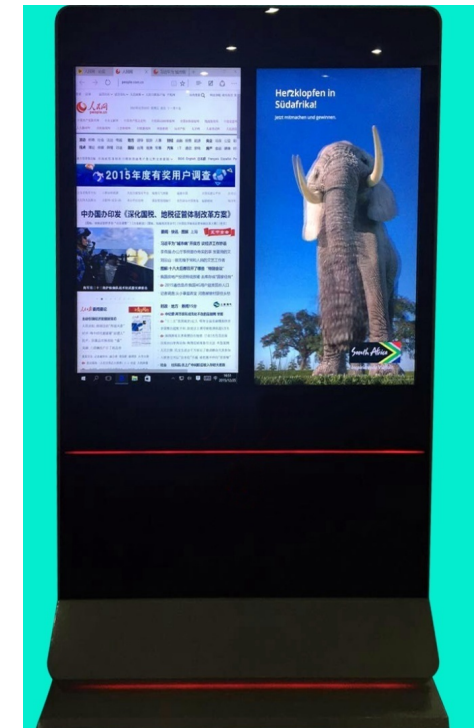

Screen dimension	43" Horizontal screen
Resolution	FHD 1920 * 1080
Brightness	>350nits
Glass-free 3D technology	Column mirror lenticular lens technology
Viewpoint	28 viewpoint compatible
Tempering glass thickness	8mm
3D Optimum view distance	2.0~3.0m
3D content format	9 view content
Hardware platform	Android smart play
Interface	USB / Ethernet
Application	Advertising device Commercial display
Product status	Sample ready

## K3DX Glasses-free 3D Fixed terminal – 43"

Screen dimension	43" Portrait screen
Resolution	Left screen: FULL HD touch panel (1920*1080) Right screen: UHD 3D panel (3840*2160)
Brightness	>350nits
Glass-free 3D technology	Column mirror lenticular lens technology
Viewpoint	28 viewpoint compatible
Tempering glass thickness	8mm
3D Optimum view distance	2.0~3.0m
3D content format	9 view content
Hardware platform	PC board + 4K drive board
Interface	USB、3G communication module
Dimension	1124.1(V)*685.99(H)*70(D)mm
Application	Advertising device Commercial display

## K3DX Glasses-free 3D Fixed terminal – 65"

Screen dimension	65" Horizontal screen
Resolution	UHD 3840 * 2160
Brightness	>350nits
Glass-free 3D technology	Column mirror lenticular lens technology
Viewpoint	28 viewpoint compatible
Tempering glass thickness	8mm
3D Optimum view distance	2.5~4.0m
3D content format	9 view content
Hardware platform	Android board
Interface	HDMI/USB/Ethernet
Dimension	1497(H)*896(V)*160(D)mm
Application	Advertising device Commercial display

## K3DX Glasses-free 3D Fixed terminal – 65"

Screen dimension	65" Portrait screen
Resolution	UHD 3840*2160
Brightness	>350nits
Glass-free 3D technology	Column mirror lenticular lens technology
Viewpoint	28 viewpoint compatible
Tempering glass thickness	12mm
3D Optimum view distance	2.5~4.0m
3D content format	9 view content
Hardware platform	Android Box+ FPGA
Interface	USB/Ethernet
Dimension	968(H)*80(D)*1878(V)mm
Application	Advertising device Commercial display
