COMMANDER'S NOTES

Well, March is finally here and our activities will be increasing starting with the Fish Fry's on Friday nights. Also, St Patrick's Day will be arriving soon. You might like to know that we have received a record amount of snow for February. All I have to do is look out the window and know darn well it is! But we can just hope that spring will be here by the end of March and it is truly something to look forward to.

In a couple of months we need to start thinking about our new Post 164 officers for the upcoming year. Election for the new officers will at the meeting in May, and they will be installed at the meeting in June since we work on a fiscal year that starts on July 1. Then we will of course start collecting dues for the 2019/2020 year.

Please think about getting involved by putting your name in for one of the officer positions or volunteering at one of the many functions our club offers. Thank you.

Commander Jerry Korstad
