## **2022 Rocky Ripple Town Directory**

Help us put together a new edition of our Town Directory by submitting updated information for your household. The directory has contact info for residents who'd like to be included. It's a great way to find neighbors with specialized skills or shared interests, as well as a quick look-up for a neighbor's info. Free paper copies will be available later in 2022.

## Rocky Rippler Spotlight

[Listen](#) to longtime resident Catherine Dusing talk with interviewer Sean Kurker about how she came to live in Rocky Ripple.

Catherine and husband, Ed, married in 1960 and moved into their home at 53rd and Crown, purchasing some land from Ed Hohlt, Sean's grandfather. Catherine was an avid cyclist, served on the Rocky Ripple Town Board, and for many years could be seen helping with parking and greeting visitors on their way to our festival.
