

PRESIDENTS CHOICE

Due to dwindling participation in Concours d'Elegance, we decided to implement a new event that still fosters friendly competition and recognizes the hard work and investment of fellow Corvair enthusiasts.

Entered vehicles will be eligible to win awards in the following categories:

Best Engine

Best Interior

Best Paint

Best of Show

Winners will be chosen by the presidents of the four sponsoring Corvair clubs or their designated representative. As the title indicates, it is strictly "their choice" as to who wins an award as there are no formal checklists, etc.

Participants understand and agree that their entered vehicle will be competing in ALL four listed categories. In other words, a participant cannot request that the entered vehicle be exempt from consideration from one or more categories.

Since this is a new event, we respectfully request that participants remain flexible and understanding if we make last-minute changes that will make the event better.
