Would you like to give an amazing gift this Lent & really make a difference??

Abdella who lives in a remote part of Ethiopia, where 60% of the population do not have access to clean safe water & it takes him ten hours every day to collect water for his family! (see link below to video to see Abdella's journey).

Our St Annes & Holy Family parishes could provide a solar powered water pump to a vulnerable community overseas & transform their lives + give families the chance to farm & be self-sufficient : which would be truly wonderful

We just need to raise £750 & you can simply put a donation in the CAFOD box in church (*from Ash Wednesday*) + in our CAFOD envelopes & even use your own envelope marked CAFOD + you can post through the presbytery letter box, if you are not attending mass (*we will quarantine the envelopes & then open*)

Any queries please contact Debbie Owen on debtuffty@msn.com
We can achieve this together in love & faith from our community to an overseas neighbour
