What can you do to maximize our Steer Raffle sales?

Here's the BEEF:

All combined we have 100 families - Parents & Staff.

If each family were to sell just one Trifecta of Tickets;

One \$15 Single, One \$50-5 Pack, and One \$75-10 Pack of tickets....

We would raise \$14,000!

Then, if half of our families were to sell a Double Trifecta of Tickets;

Two \$15 Singles, Two \$50-5 Pack, and Two \$75-10 Pack of tickets....

We would raise \$21,000 !!

Please make the effort to sell at least one Trifecta of tickets per family.

TOGETHER, we have the network of family, friends, neighbors and church community members to make this happen!
