**A Note from Rick:** Steady to weaker markets this week at TLA. Slaughter cattle took a pretty big dip this week, which was to be expected I suppose with the drop in price on the Board of Trade in the last couple weeks. Slaughter cows on the other hand held their prices very well and even were a little higher. Dairy replacement heifers were steady while feeder steers were a little softer. Our Alternative Animal sale was a good one. We had a big variety of animals and a good crowd. We are looking forward to the pony auction on Memorial Day, as I'm sure a lot of kids in the community are also. Hopefully we'll get some drier weather soon!! See you at TLA!
