During this time, access will be restricted on many Haworth streets. We are informing you in advance so that you can plan accordingly.

The Haworth Police Department will be closing all streets along the race route as well as streets that provide access to streets along the route. This includes: Haworth Avenue, Sunset Avenue, Maple St., Myrtle St., Contant St., St. Alban's Pl., Sylvan Pl. West, Eastview Terrace, Houston Pl., Massachusetts Ave., Seneca Trace and Owatonna St. Please visit www.haworth5k.org to view the entire race route. The Police will re-open all roads as soon as it is safe to do so. Please be further advised that for your convenience, all local streets east of Valley Road will remain open. We thank you in advance for your anticipated cooperation and ask you to please contact us with any questions or if you need further information.
