Long regarded as one of the most enjoyable greater Knoxville golf courses, Egwani Farms Golf Course offers an ideal blend of challenge, play ability, nuance and strategy. Prior to the course being built in 1991, Egwani was used as farming land. The name Egwani derives from Native American culture which means "little river". Due to the fact that the river runs along side the golf course and can be seen from at least 7 holes from the golf course.

\$600 per four person team

\$725 golf foursome with tee sponsor sign- Four person team *plus Tee Sign for your company*

Egwani takes great pride in it's origin and history, but also has a vision for the future. In the summer of 2016, for the courses 25th anniversary, the course underwent extreme renovations. The renovations include: new cart paths, championship bermuda greens, billy style bunkers, new carts with GPS, and 15 acres of new natural fescue grass. Egwani would love to make the farm your home for golf.
