

# Little Scholars Montessori Scholarship Policy

Little Scholars Montessori formed a scholarship program for qualified families to assist in the financial cost that goes along with private education. The program can allow you to be exempt from tuition for a three, six or twelve-month period. You may also qualify for a reduction in tuition fees from 10-45%. You must provide the following information to be a candidate for the scholarship program:

- ❖ Scholarship Application
- ❖ Copy of most recent pay stub
- ❖ Average expense of monthly bills
- ❖ Number of Dependents in your household

Little Scholars Montessori understands this is confidential information and will be treated as such.

#### Rules:

- 1) If any information that is provided at the application time changes, it is your responsibility to provide the new information when re-registering or the scholarship could be revoked.
- 2) Once you are approved, you will be notified of the length or percentage that will be reduced from the tuition. Once that scholarship period has ended, you must re-apply if assistance is still needed, otherwise tuition will be due on the first of the following month.
- 3) Confidentiality is expected; therefore, it is not necessary for you to announce you are receiving assistance. I, as the owner, will follow the same standard.
- 4) If you receive a percentage discount applied to tuition cost, the late fee policy and return check policy will apply to you.

*I agree to abide by the above rules and understand what my responsibility is for the approval process of the scholarship program. This information has been explained to me. I understand that Little Scholars Montessori will be verifying my employment and wage information I have provided.*
