

Minister Dorothy Green

Minister Dorothy Green, a native of York, Alabama, accepted the Lord at an early age and enjoyed serving God's people. Mother Green, as she is affectionately known by members of True Vine, believes that the greatest miracle that could ever happen is to be born again; therefore, she continues to accept the challenge of speaking out for God wherever He leads her, knowing that if He orders her steps, she will always end up on the right path.

Mother Green wonderfully shares the wholesome word of God through her faithfulness to God and her commitment to serve others. Mother Green is truly a humble and faithful witness for Christ. She has a genuine concern for God's people and demonstrates it through her walk. Over the past 15 years, she has devoted herself to ministry by sharing her personal testimony and teaching others to have faith and stand on God's word.

Mother Green strives to be an example of a virtuous woman -- a woman who is yielded to God in every area of her life. Minister Green humbly serves as a mentor to all the women of the True Vine Fellowship Full Gospel Church. The Lord has given her a passion for children, and she enjoys the extra special blessing of being a mother to the True Vine Family. Mother Green continues to aim toward excellence in all of her ministry opportunities. She has a heart for people and is a committed prayer warrior.
