New Year 2025 and Sanctity of Human Life Month

Why Pro -Life?

Our supporters span across New York State and have done so for decades; we count it a blessing to know that those who champion life are lifting this work up in prayer even from across the state. There is unity that only the Holy Spirit can bring and there is resolve among those who pray fervently to see this state become one that values life both within the womb and outside the womb. Through the decades since the legalization of abortion, there has been so much that has changed and yet so much that remains the same. Take, for example, means of communication. At one time, a handwritten letter would have been the only hope of communicating with someone who was not within walking distance. An increasingly foreign and mysterious way of writing called "cursive" would have likely been used. Fast forward to the year 2025 and communication has become so instantaneous whether across the room or across the globe; information and conversations can travel at speeds one could have never imagined. And yet.....and yet we find ourselves in a culture that seems to still be perplexed by basic realities and truths that are abundantly evident, truths about life, truths about one of the issues that is most vehemently defended or opposed, and this is as true within the church as outside of it. This is why we feel it to be so important to promote an effort across our span of supporters, across our region, across our state that brings the message of life to our churches, our homes, our pulpits. We are happy to provide this resource "Why Pro Life?" by Randy Alcorn to you at no cost if you have an interest in reading it for your own edification, leading a small group or study of it, or perhaps speaking of it and the Biblical responses woven throughout it from your pulpit, for those of you who are Pastors and clergy. It is truly that important and we pray that you will reach out to us at lifesaverheartbeat@gmail.com and let us know how many copies we can have shipped to you and allow us to provide you with some study materials as well as surveys for both before and after the reading of this amazing book. We as the Body of Christ owe it to a watching world to have a compassionate, intelligent response to this issue and be leading by example in both word and deed in all the ways that truly uphold life and love. Please consider being part of this collaboration that runs from January through February.

How much better to get wisdom than gold! To get understanding is to be chosen rather than silver. Proverbs 16:16

We are in need of diapers in size 4-6 as well as baby wipes on an ongoing basis.

Would you consider conducting a supply drive for items to benefit the families served by Life Saver Ministries?

Hygiene and Household items are very much in demand and not as easily obtained through our bulk supplier as in the past. Shampoo, body wash, deodorant, detergents are in constant demand.

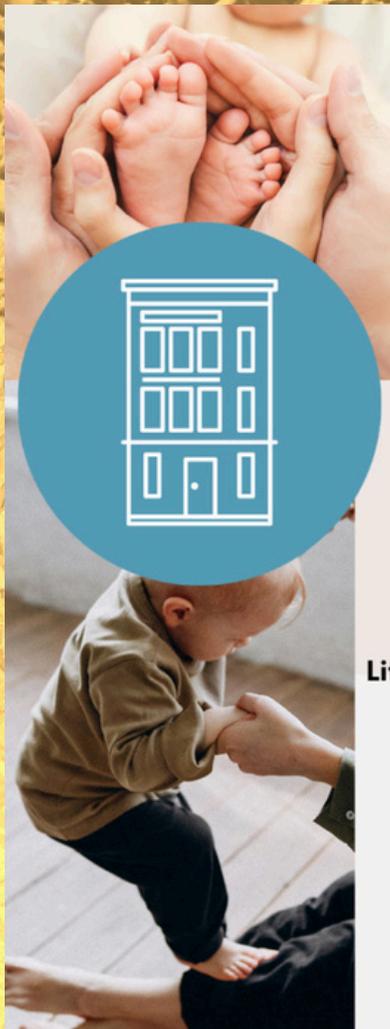

We welcome you to follow our Facebook page to see our activities and interactions with the women and families we serve!

If you are not yet receiving our **Ministry Prayer Bulletin** via email, please request to be added by sending us a message at lifesaverheartbeat@gmail.com. This is a wonderful way to stay informed of praises and petitions to bring before the Throne of Grace. In addition, if you would like to receive The Heartbeat Newsletter electronically, please do the same!

This is a great opportunity to bring items collected during supply drives and a wonderful opportunity to see how your support is making a difference!

Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world.
James 1:27

SANCTITY OF HUMAN LIFE
SUNDAY

Open HOUSE

Sunday, January 19, 2025

Please join us!

Facility tour given at 2:15 and 3:15.

Light refreshments and coffee/tea provided.

Life Saver Ministries

Upholding Life.
Changing Lives

This is a wonderful opportunity to see the ministry from the inside and meet director Abbey Ballard.

WHEN: Sunday, January 19, 2025
2-4 p.m.

WHERE: The Solutions Center,
16 East Pine Street,
Gloversville, NY 12078

A Great Need

A significant portion of our work here is an effort to prevent the cyclical patterns of abuse and neglect that is so prevalent in the lives of those we serve. We recognize that to be authentically pro-life we must be willing to follow the Biblical mandate of being a father to the fatherless and ministering to orphans in their distress. If ever there were a word to describe the condition that many children find themselves in due to no fault nor choice of their own, it would be "distressed." We have a beautiful opportunity to flood our communities with quality foster homes as the need is tremendous and some counties have absolutely no available homes to offer to a child in crisis. May we as the Body of Christ change this and do so in a way that points to God's love for humanity. **January and February** is a prayerful push here at the ministry to seek out individuals and families in our support base that are willing to take the first step in becoming a certified foster home by allowing us to connect you with your area foster care agency. The journey of many miles starts with one step and transforming the life of a child and possibly that of their descendants often starts with one step of faith followed by another. Please consider serving your community in this way and know that we are here to be a help and support any way we can!

***Please** email us at lifesaverheartbeat@gmail.com or call us at 518-725-5777 if you are interested in finding out more!
