Onions!

The onion fundraiser was very successful this year, we sold all of our onions in record time. We would like to take this opportunity to thank everyone who helped out, it is much appreciated!

Shrine Hospital Patient

Recently Noble Bob Foley received a email from a family who's daughter attended our shrine hospitals and we would like to share it here,

Here is a picture of Ellie eating an orange Popsicle after her surgery at the Shriners Hospital in Montreal last Wednesday. The surgery went very well. Ellie is back home now and already moving her thumb around inside the dressing that you can see. The whole experience was so positive from beginning to end. Sarah and Josh, as well as Dave and myself are very grateful to have access to the Shriners Hospital. Ellie would still be in the queue here in London and thanks to Shriners she can now get on with using her hand normally and without pain. On a different note, I hope things are going well with you both and you are enjoying some warmer temperatures outside. Best regards, Sandy.
