

WFE PTO Meeting

Thursday, April 12, 2018

6:15 PM, held prior to the 3rd grade/Chorus Musical Performance

Walton Ferry Elementary

6:15 PM - Liz Bucary called meeting to order

Spring Fling Recap:

Thank you to our volunteers and contributors to silent auction and for providing baked goods for the Sweet Circle.

Our profit from the event which includes admission and silent auction was \$8,252.78.

Officers:

We need a new officer for the 2018-2019 school year. Our main focus is fundraising.

Liz introduced Mrs. Alligood.

Mrs. Alligood thanked parents for all they do. The PTO helps us raise money for the school. We are now 1 to 1 with chrome books for 2nd - 5th grades for the 2018-2019 school year, that's partly in thanks to the PTO, partly to the taxes paid. Your taxes also helped with the new gym floor, and new addition. Her goal when she arrived at WFE was no more portables, students deserve it!

Mrs. Alligood made a request to the PTO to assist with paying for training for teachers. The training is the Ron Clark Academy. It is an advocacy program for positive re-enforcement. Helps all kids feel they belong.

For 2017-2018 year we had 50 new students, advocates can help make new students feel like they belong.

Liz Bucary made a motion for PTO to pay \$2,250.00 towards the training, Emily Lopez seconded the motion. Liz asked for all in favor? All opposed? The motion passed.

The meeting adjourned at 6:24 PM.
