### Current Best Bets

Expect lines to move throughout the week.

**2★ (117) Georgia +7 over LSU.** We like playing on defensive dogs here as UGA has a Top 5 defense in ppg, ypg and yards per play while LSU's defense is around No. 30 in those categories. We also think UGA has the edge at the line of scrimmage (+17 sacks vs +3). Our power ratings have this closer to +4.5 and UGA is familiar with the setting having played here 3 times in the last 2 years while LSU is making their first trip here ever. See pic of our bet on the right.

**1★ (158) L.A. RAMS +2.5 over Seattle.** The Rams are catching Seattle off a MNF game and traveling. L.A. could've easily beat Seattle in Seattle earlier this year (missed FG at end) and the Rams were only catching 1.5-points on the road in that one.
