## FREQUENTLY ASKED QUESTIONS

---

### 1. How much is the tuition for Scoop School

The cost for the standard 3 day course is \$895.00

The cost for the advanced 5 day course is \$1395.00

### 2. What does the standard course cover?

The Standard course agenda is found [HERE](#)

### 3. What does the advanced course cover?

The Advanced course agenda is an extra 2 days on top of the standard course. The course agenda is [HERE](#)

### 4. Can I extend to the Advanced course during Standard Course session of Scoop School?

We prefer that students research the course agenda and make an informed decision before registering for either the standard or advanced course. This is purely for catering and transport planning.

That being said, if a student decides they want to extend to the advanced course, they can pay the balance of the advanced course tuition anytime during the standard course. That balance would amount to \$500.

### 5. Where is the course located?

The facility is location just west of St Louis in Chesterfield MO.

The address is 743 Spirit 40 Park Dr Chesterfield MO 63005

### 6. What is the best way to get to Scoop School?

St Louis is very easy to get to from all around the country. The airport code for the St Louis Lambert airport is STL. The map of the facility location is on the “classes” tab of the scoopschool.com website.

## **8. What do I need to bring?**

Nothing more than a desire to learn about the frozen dessert industry and perhaps some stretchy pants. All manuals, note paper, pens and other needs are taken care of.

For the advanced class touring the Smith Foods Mix facility you will need the following:

Photo Identification  
Close Toed Shoes  
Long jeans/trousers/skirts

**9. What is the dress code for Scoop School?**

The dress code is business casual. This means long trousers (jeans are OK) and you **must wear close toed shoes**. No sandals, flip flops or similar footwear please.

**10.Can I bring my kids to Scoop School?**

Younger children are discouraged from attending the class as there is extensive theory or class work that doesn't stimulate young minds. Students 16 years and up are preferred.

**11.Can I video Scoop School or take any photos?**

We ask that no video or audio recording devices be used during class. You can take as many selfies and photographs as you like.

**12.What if I have any special food requests or allergies?**

Please let our course administrator know by either email at [info@scoopschool.com](mailto:info@scoopschool.com) or call our admin office at 636 778 0297. We will do our best to cater to your needs

**13.Is there a rigorous exam at the end of the course?**

There may or may not be a rigorous exam at the end of the course.

**14. What else is there to do in St Louis Missouri?**

St Louis is billed as the Gateway to the West and has many great activities and free events and location for visitors. A visit to the St Louis Arch is a must for first time visitors.
