Reverend Dr. Williams is committed to serving the people of God in a manner that glorifies and honors Christ using the Holy Bible as the sacred text for preaching and teaching His Word to all who will hear it, and being obedient to the call He has placed upon his life. It is his desire to challenge and help others see the presence of God in every aspect of their lives. It is his belief that we all have a responsibility to use the gifts, talents, knowledges, and abilities that God has blessed us with to serve others, and to fulfill our purpose not only in the Kingdom of God, but also in the communities where we live. God has allowed him the privilege of sharing his gifts with others in the city of Richmond, VA and at other communities in various parts of the nation. His favorite scripture is Romans 8:28 “ And we know that all things work together for good to those who love God, to those who are the called according to His purpose.”
