

ABOUT THE OAKS GOLF COURSE

The Oaks Golf Course was built in 1926 and was one of the first golf courses built in the Springfield, IL area. The maturity of the property offers character and picturesque views of Sugar Creek while enjoying a round of golf. The Oaks Golf Course features beautiful rolling terrain, mature tree lined fairways and immaculate greens.

The course was recently purchased and new renovations are underway to the clubhouse and golf course.

Test your skills on our 18 holes or challenge and delight for all skill levels. **We look forward to seeing you tee it up with us!**
