

Learning Grant

The MMYA supports and encourages projects that promote Middle Years pedagogy, encourage student learning and respond to the needs of young adolescents. MMYA has established a learning grant fund to support such ventures. Applications should reflect how the project would enhance the education of Middle Years students. Priority will be given to those projects which are organized by students, for students, or that go beyond regular classroom learning experiences.

Grant Monies

The maximum amount available for this school year is \$2000.00. Funds will be set aside by the MMYA treasurer and amounts will be awarded at the discretion of the MMYA executive. Funds will be paid out within one month of the grant approval.
