

Bee Bus instructions for use with the

If your bees arrived in the new Bee-Bus bee package shown here you will need to adjust your B-Funnel to accommodate the spacers on this new style package cage.

the Bee-Bus installed

After modifying your B-Funnel it will work the same as it does with the wood and screened bee package cages.

Then simply follow the instructions for use that came with your B-Funnel to install your bees in the hive.
