

VETERANS OF FOREIGN WARS AUXILIARY

Department of Wisconsin

Membership Bulletin – July 2019

www.wivfwaux.org

My name is Inez Semingson and President Mary Brown has asked me to be her Membership Chairman for the 2019-2020 year. My goal for the year is to get Mary into the Circle of Excellence. If we all work hard, we can do this.

National Ambassador Diane Pencar, says and I quote, “Our organization has been working to Recruit, Rejoin and Retain members for years. Let’s IMAGINE changing these words to INVITE, INCLUDE and INVEST! As we invite others to join and include all members, we invest in our membership and the future of our organization.”

So, what do we do? Well, we can INVITE potential members and members to have coffee or lunch with you. Visit with them at a church or social function or invite them to a Post or Auxiliary function. INCLUDE your continuous members in all the current workings of your Auxiliary. INVEST time to help new members understand the workings of your Auxiliary and to make them always feel welcome at all meetings and events. If we follow through with these and other ideas, we will grow our organization.

Remember, if your dues are not paid by December 31, you are not a member in good standing and can not hold an office or attend meetings until your dues are paid: why not do it now? Treasurers, it’s time to send out those dues notices.

RECRUIT, RECRUIT, RECRUIT!

“Giving Hope to Veterans and Families” as we “Serve Our Veterans with Aloha”
