## OLD BUSINESS:

- **October Cruise-in:** Canceled because of sever storms. One of our pop-up's got damaged by the wind.
- **Family Picnic:** A good time was had by all, the weather held out for the most part with only a few sprinkles. Kenny Klimbriel was unable to attend and take pictures of club cars; this will be rescheduled for a later time.
- **Letter from Circleville Shed:** Patt explained to the club that the board members received a letter from Colleen McConnell the owner of the Circleville Dairy Shed expressing her discuss with RTC allowing another person to distribute free ice cream when she was assured that their be no other vendor at the cruise-in with the same product. After handing out our flyers for months, donating door prizes, buying 50/50 tickets and only selling 20 ice cream treats she lost a lot of money and felt she was not treated fairly. The board decided that Patt would apologize for RTC in person and also order ice cream treats for the club picnic to off set her losses, but due to a illness Patt did not get this done and will talk to them in this month. If the meeting ends early we may go to the Dairy Shed after the meeting.
- **Pumpkin Show Parade:** Dale Boone said he has more people than spaces and may have to use the attendance sheets to determine who gets to attend. See him after the meeting if you want to be in the parade but are not yet on the list.

Jim Deal will get the info to Amy with the other entries. He will be contacted by Amy and a picture will be taken to post on our website and face book sites.
- **Club Night Out Old Mans Cave:** A head count of 25-people will be attending our next club night out on October 17<sup>th</sup>. The meeting place was changed to the car wash located on State Route 56 next to Circleville Dairy Shed at 4:00pm.

They are to have a ribbon cutting and QFM96 radio station doing a broadcast at the same time. Details are sketchy at best, so this may be a short show. Each attendee we receive something from the store as a gift for coming. We estimated about 15-cars would attend.

- **Cruise-in Statistics:** Dale went over some numbers regarding attendance and weather over the past several years. He also told his opinion on just offering a trophy for the sponsor choice. He also would like to not sell door prize tickets, only give them to people that register. This would give the participants a reason to register. 50/50 would be handled as we do now. This will be brought up again in our January planning meeting.
- **Cuba Cruise:** Dale gave info on this cruise and the cost was only \$4,900 to \$5,200, see him if you need info.
